DELAVEGA - THE UKRAINIAN FACTORY-STUDIO OF UPHOLSTERED FURNITURE

Delavega company was founded in 2010 in Kiev (Ukraine) as a family furniture studio. Our furniture is manufactured with the best European equipment and materials that ensure the ideal quality of upholstered furniture.

A team of highly qualified specialists, working for Delavega since its very beginning, helps us to achieve high results of production.

In the Delavega beds catalog:

- ♦ More than 50 models of classic and modern designer beds of our own production.
- ♦ Each model is available for order in an individual design: size, color and upholstery fabrics.
- ♦ All presented items have high-quality 3D models ready for placement in the interior design project.
- ♦ The service of the upholstered furniture urgent production is available - from 3 working days.
